

Hotel-owned parking lots

Parking facilities in Zurich are extremely scarce. We thus suggest that you make a reservation of your own parking lot in our underground garage.

Upon arrival, just pull up in front of the hotel, i.e. Niederdorfstrasse 40, 8001 Zurich, and fetch the key for the underground garage at our front desk. Our concierge will be pleased to show you the way to the underground garage.

Parking charge per day: CHF 30.00 / EUR 20.00
